

ECN 101-A05/06: Intermediate Macroeconomic Theory

Professor Bergin, Spring 2014

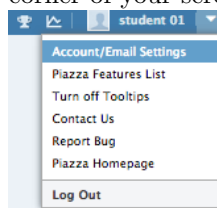

TA Jae-Wook Jung (*jwjung@ucdavis.edu*)

Section A05: TR 06:10-07:00 PM, 230 Wellman

Section A06: TR 07:10-08:00 PM, 230 Wellman

- Objective: The goal of TA section and my job is helping you out! Section will cover
 - (a) some new material for lectures
 - (b) some class discussion topics provided in lectures
 - (c) suggestions on homework
 - (d) practice problems for exams
 - (e) review hard material from lecture
- Homework Policy
 - (a) No late submission is accepted.
 - (b) Homework is due in class on the due day posted. If you can't make it to class, you may put it in your TA's mailbox by 9:30 AM on the due day.
 - (c) 5 homework assignments for 15% of the final grade. Each assignment will be graded by one of TAs for consistency. It will be graded on a "check-plus (5 points)", "check (4 points)", and "check-minus (3 points)" scale, based on your attempt including the correctness of answers.
 - (d) Homework assignments will be returned in one week. You have until one week after homework grades are posted in the gradebook on smartsite to notify your TA of a missing grade.
- Class Etiquette and Honor Codes
 - (a) Both sections A05 and A06 use the same materials so you can attend anyone of them.
 - (b) TAs do not mind if you choose to attend any other TAs' sections because of time conflict but you may need to get back your homework and exams in your own TA's section.
 - (c) Class starts on time. Don't be late.
 - (d) Please do not leave in the middle of class.
 - (e) Let's connect with each other in sections instead of talking to your cyber buddies. Please do not use a phone.
 - (f) Both section slides and board will be used. Section slides will be posted online before the section (as a draft) and emailed after the section.

- (g) The University's Honor Code will be very strictly applied in homework and exam in this course. You can work together on assignments but each individual student must write up their own answers to the questions as well as the names of all your study group members.
- Schedule: Section schedule follows the class schedule as in the syllabus.
 - Contact
 - (a) Office Hours: T 10:00 AM - 12:00 PM at 132 SSH
 - (b) This quarter your TAs try to use an online forums for class Q&A and discussion in addition to smartsite. We believe that the alternative system will be very useful for us to communicate with you especially sharing Q&A efficiently. It is highly catered to getting you help fast and efficiently from classmates and us, the TAs. Rather than emailing questions to the TAs, we encourage you to post your questions on the forum <https://piazza.com/ucdavis/spring2014/ecn101a/home>.
 - (c) Also before writing your questions, please check if your question has already been made by someone else with using tags. If so, you can save yourself the time of writing the same question (and we can also save the time of answering twice). If you still have doubts, feel free to ask for further explanation in the follow-up.
 - (d) If you know the answer to some question made by your classmates, your reply will be always welcomed. There is no better way to verify your understanding of the material than explaining it to someone else. Moreover, TAs always read students' responses so we can correct any mistakes.
 - (e) One drawback of this forum might be to have frequent email notifications. By default setting, you may receive an email per 4 hours for new questions or notes. Please change your "account/email setting" which will be shown on the right top corner of your screen, for your preference.

- (f) You can also feel free to email me for your questions.
