

Survey for ECN101B Fall 2014
TA: Jae-Wook Jung

Please circle appropriate choice that describes your situation and answer the following questions in your word.

1. What year are you in?

Freshman Sophomore Junior Senior

If you are a freshman, please let me know the reason of taking this course.

2. Is this your first time to take this course or your retaking?

First time Retaking the course

3. Have you taken ECN100: Intermediate Microeconomics before?

Yes, I have taken it No, but I am taking it this quarter Never

4. Have you taken any math classes? If yes, please write down the course name. (e.g., MAT 16A-16B, 17A-17B or 21A or 21B., etc.)

5. Do you think you know how to solve the following questions? You don't need to solve it actually.

For $z = 3x^2y^3$, $\frac{\partial z}{\partial x} = ?$ For $y = \ln(x)$, $\frac{dy}{dx} = ?$

Yes, I am so confident. Yes, I am getting it almost. No, I don't know at all.

6. Are you considering economics as your major or minor?

Major Minor None of them

7. Do you have any specific concern for this class? If yes, please describe it briefly. It will be really helpful for TA to prepare TA sections.

8. Do you have any suggestion for TAs of this course? If yes, please provide it.

9. If you want, please give your name. Obviously you can also leave your answer anonymously.
